COMMUNITY CHEST

. . . .

30 Seconds

It was a great kick-off, fans — but it's going to take plenty of plugging and plenty of support from the grandstand to win this game. I'm talking about our Community Chest campaign now. Let's see to it that our next generation of football heroes get the kind of Red Feather youth activities they need to thrive on . . . and when you sign your Community Chest pledge — remember, it's not just the Red Feather youth services — but Red Feather health services, family services, aid for the aged and handicapped and many others for whom you're giving. 18 services — one campaign. Give enough!

Ralph Edwards, who quarterbacked a parlor game into a national pastime as popular as football, laterals the following questions. Ralph, of course, is head coach on the "Truth or Consequences" programs seen and heard weekly on the CBS television and radio networks.

FOOTBALL TRUTH OR CONSEQUENCES

by RALPH EDWARDS

1. The football star known as the "Galloping Ghost" was (1) Ichabod Crane (2) Red Grange (3) Frank Sinkwich.

2. They say "seven" is a lucky number. The "Seven Blocks of Granite" were (1) the pillars of the Brooklyn Bridge (2) the seven hills of Rome (3) the Fordham line.

3. The length of a football field is (1) up to the referee (2) 50 yards (3) 120 yards.

4. The Statue of Liberty play was invented by (1) Patrick Henry (2) Ray Morrison (3) Edmund Dante.

5. The first Rose Bowl game was played in (1) 1348 (2) 1869 (3) 1902 (4) 1920.

6. A salute by the referee indicates (1) his respect for a good play (2) the military nature of football (3) a penalty for unnecessary roughness (4) a touchdown.

7. A player illegally in motion is (1) running toward the line before the ball is snapped (2) running the wrong way (3) jumping over an opposing player.

8. The weight of a football is about (1) 7-8 ounces (2) 14-15 ounces (3) 1 pound (4) 2 pounds.

9. A sleeper is (1) a train with an overnight hop (2) a man deployed craftily to the side (3) the guy they ran the touchdown through (4) a fourth-string sub on the bench.

10. A pass is (1) a man's prerogative (2) a bust hand in bridge (3) a ball thrown in the air.

11. The first Army-Navy game was in (1) 1776 (2) 1848 (3) 1890 (4) 1900.

12. The fellow who caught Benny Friedman's passes was (1) Hutson (2) Swiacki (3) Oosterbaan (4) Evashevski.

13. The biggest ground-gainer of all time was (1) John Bunyan (2) Red Grange (3) Frank Sinkwich (4) Tom Harmon.

14. The outstanding team in the country in 1888 was (1) Yale (2) Harvard (3) Princeton (4) Army.

15. The Four Horsemen did their running for old (1) Apocalypse (2) Texas Agricultural (3) Racine (4) Notre Dame.

Now, be honest and compare your answers with these—if you have failed see the consequences below!

1. (2) 2. (3) 3. (1) 4. (2) 5. (3) 6. (3)
7. (1) 8. (2) 9. (2) 10. (3) 11. (3) 12. (3)
13. (3) 14. (1) 15. (4)

YOU HAVE FAILED TO TELL THE TRUTH, SO YOU'LL HAVE TO PAY THE

CONSEQUENCES

(1) Get two tickets for the best fifty-yard line seats of the biggest game of the season. When you get to the gate, discover you've left the tickets home on the dresser.

(2) Take the job of the water boy who does the running when Tulane's Green Wave runs dry.

(3) Sit next to the most beautiful blonde in the stadium, wearing the biggest chrysanthemum ever, and have hay-fever.

(4) Bury yourself in the Coffin Corner.

(5) Go to the showers. But the boiler's busted, and there's no hot water!

(6) Take the post of stretcher-bearer in the grudge game between the Alcatraz All-Stars and the scions of San Quentin.

(7) Go to New Orleans next New Year's Day, and get your lumps in the Sugar Bowl.

(8) Join the cheering squad the night before the big game, and wake up on *the* morning with laryngitis.

(9) Take over the position of head linesman . . . with a six-inch ruler.

(10) A tough consequence, but you deserve it. With the score 25-20 against you, get out into the clear and running when the final gun goes off. Then trip on your own shoe-laces and down the ball *one inch* short of the goal line!

(11) The deciding goal has just been scored on the fourth down. Go in as referee, and discover that you've miscounted. It was really the fifth down. Go ahead, call it back. We dare ya!

(12) A little the worse for wear, go down to the locker-room between halves. As the coach reveals a special, super-secret, hipper-dipper play, look at the bruisers around you, and realize that you're with the wrong team!

(13) For missing that one, take the cheerleader's megaphone . . . and don it as a dunce cap!

(14) Take off in T Formation as a high-flier, then discover you have a single wing back, and go into a nose-dive!

(15) For missing that one, from here on in you take your place as poison in the Ivy League.

"WHERE THE TEAM EATS"

DOCKHAM SHORT WHITTON LECKONBY COOLEY

Lehigh's Grid Coaching Staff

WILLIAM B. LECKONBY is beginning his fifth season as coach of the Lehigh University's Engineers from South Mountain. At 32, he is one of the youngest—and at the same time—one of the most successful football mentors in the Brown and White's 66 years of colorful football history.

Recognized as one of the outstanding players on the Brooklyn Dodgers' professional football eleven from 1939-1941, he has been coached by some of the best known coaches in the game—the late "Jock" Sutherland, Don Faurot, and "Potsy" Clark. A master of fundamentals, Leckonby aims for well-coached, well-conditioned, and well-equipped teams.

A graduate of St. Lawrence University, he entered active duty in the United States Navy in 1942. The following Fall, he played with the Pensacola Naval Air Station. Later he coached football and basketball teams there. In 1944, he was transferred to the Jacksonville Naval Air Station and then to Hawaii where he played and coached in the inter-service league before returning to the States.

Since taking over the coaching assignment here, Leckonby's teams have won 18 games, lost 17 and tied none. In addition to coaching varsity football, he is golf coach.

MICHAEL T. COOLEY is a newcomer to the Lehigh coaching staff. At 23, he becomes one of the youngest college coaches in the nation. He comes to Lehigh after two successful campaigns as head coach at Augusta Military Academy, Ft. Defiance, Va. A star lineman at the University of Georgia, his Augusta teams won 18 engagements in 1948 and 1949, including the Orchid Bowl at Chattanooga, Tenn. in 1948.

WILLIAM G. WHITTON is another newcomer to the Lehigh staff. He comes here from a successful tenure as head football coach at North Tarrytown (N. Y.) High School where his teams in three years won 17, lost four, and had two ties.

DAVID M. DOCKHAM returns for his third season as backfield coach. A veteran of Navy service in World War II, he joined the Engineers' staff in 1947 after earning his master of science degree at Springfield College, Mass. He also serves Lehigh students as freshman swimming coach and varsity lacrosse coach.

CAPTAIN RICHARD F. GABRIEL

1950 Lehigh University Football Left Halfback 5'10" 177 lbs. 21 years. Valley Stream, N. Y.

Opinion of Coach Bill Leckonby:

"Dick Gabriel is as good a back as there is in the East. He is hard running and fast . . . not only has speed but is a power runner. Some people compare him to Steve VanBuren of The Philadelphia Eagles professional team—that is to style not size.

"His long stride makes his speed deceptive and when he gets in a jam, he powers through instead of dancing. In 1948, he was known strictly for his outside speed. In 1949, he developed considerably in faking. Needless to say, he is the fastest man on the Lehigh squad."

1948 Record as a sophomore

Gabriel scored 13 touchdowns for 78 points, second highest collegiate scorer in Pennsylvania. Dan Towler, Washington & Jefferson was tops in Keystone state scoring.

The Lehigh left halfback carried 112 times for a total net gain of 837 yards, an average of 7.47 yards per rushing attempt. This was the best record of 1948 season in the Eastern Intercollegiate Football Association of 36 colleges and universities.

1949 Record as a junior

In 1949, Gabriel was the East's leading scorer with 96 points by virtue of 16 touchdowns. He became the first collegiate player in the Eastern Intercollegiate Football Conference to crack the 1,000 yard mark in ground gained when he tallied 1,023 yards for the Engineers in nine games. His remarkable consistency —he made over 100 yards or more in six of Lehigh's games and personally outgained three opponents— eclipsed the record of 965 yards set by Mike Holovak of Boston College in 1942.

His long runs in 1949 include:

88 yards on punt return in second period against Case Institute of Technology. Good for a touchdown.

95 yards on kickoff return against Gettysburg. Good for a touchdown.

62 yards on punt return against Gettysburg. Good for a touchdown.

61 yards from line of scrimmage on reverse from Joe Scannella, Lehigh quarterback, in N. Y. U. game. Good for a touchdown.

Scored three touchdowns against Carnegie Tech on runs of 47, 42, and 45 yards respectively, all from line of scrimmage.

58 yards rushing against Lafayette College, setting up touchdown two plays later.

64 yards on play from scrimmage against Lafayette College.

Left to right: Hen Bream, head coach; Clyde Cole, freshman coach; Rome Capozzi, trainer; Howard Feltman, manager; Jack Shainline, assistant coach, and John Yovicsin, assistant coach.

HENRY T. BREAM returns to Gettysburg for his 21st year as head football coach after completing a highly successful 1949 campaign. Hen last year led the Bullets to seven smashing victories while his apt students registered only one digit in the loss column and one in the deadlock department. Since football originated in 1890, no other season's record has equalled Hen's 1949 output.

Hen graduated from Gettysburg in 1924 and immediately went to Phoenixville High School where he coached for two years. In 1926, he returned to his alma mater to assist Bill Wood in the football wars and in 1927 he stepped into his present position as head football mentor. Hen's all-time coaching record now reads 95 wins as compared with 60 losses and 12 ties.

Besides achieving success on the gridiron, Hen has also gained a considerable reputation in basketball which he also began coaching in 1927.

ASSISTANT COACHES

JOHN YOVICSIN, one of Hen Bream's capable assistants, graduated from Gettysburg College in 1940 where he starred in football, basketball, and track.

Yovicsin began his coaching career at Valley Forge Military Academy, and in 1946, he migrated to Middletown High School where he took over football and basketball duties.

While at Middletown, Yovicsin met with considerable success as his football teams, equipped with the T-formation which John had inaugurated, swept through two years of competition with only one setback.

Along with his job as assistant football coach, Yovicsin divides his time coaching freshman basketball, varsity track, and cross country.

JACK SHAINLINE is another alumnus who came back to Gettysburg College after graduation. However, before coming to Gettysburg, Jack was an outstanding performer for the Norristown High School football team where he achieved the distinction of being named on the all-suburban eleven.

Upon graduation in 1947, Jack went to the local high school where he worked as assistant football coach. A year later he came back to Gettysburg where he now directs the swimming teams in addition to his football duties.

CLYDE (KING) COLE is the only Gettysburg football coach who graduated from a foreign school. This occurred in 1934 and the diploma was received from Penn State.

Before leaving for the army, Cole coached at DuBois High School. After being discharged, he came to Gettysburg where his talents are employed as freshman football coach and varsity wrestling coach. Clyde's grapplers walked off with the Middle Atlantic States Championship last year.

LEHIGH SONGS . . .

THE OLD SILVER GOBLET

Get out the old silver goblet,
With Lehigh upon it,
And we'll open another keg of beer;
For we all came to college
But we didn't come for knowledge,
So we'll raise hell while we're here.

HAIL THE COLLEGE

Hail the College, ivy-clad and chestnut,
Brown and White her colors fly.
Home of brave men, sturdy men and true,
Wise and mighty old Lehigh.
Rare old, fair old, square old College,
At your name ten thousand cry—

Chorus

Rah! Rah! Rah! Rah! Rah! for Alma Mater!
Rah! Rah! for old Lehigh!

Hale men, strong men, wear the Brown and White,
The men who dare to do or die,
Yielding never, fighting till they fall—
That's the spirit of Lehigh.
Staunch and sturdy, rough and ready
When they hear the shout on high—
—Chorus

Men may come and go with every season,
As the years go rolling by,
But their love, their fame and deeds are always,
For their dear Lehigh;
Young and old men, Lehigh true men
Shout her praises to the sky—
—Chorus

LEHIGH WILL SHINE TONIGHT

Lehigh will shine tonight, Lehigh will shine,
Lehigh will shine tonight, Lehigh will shine,
Lehigh will shine tonight, Lehigh will shine,
When the sun goes down and the moon comes up
Lehigh will shine.

THE ALMA MATER

Where the Lehigh's rocky rapids rush from out the West,
'Mid a grove of spreading chestnuts, walls in ivy drest,
On the breast of old South Mountain, reared against the sky,
Stands our noble Alma Mater, stands our dear Lehigh.

Like a watchman on the mountain, stands she grandly bold,
Earth and Heaven's secrets seeking, hoarding them like gold.
All she wrests from Nature's storehouse—naught escapes her eye.
Gives she gladly to her dear sons, while we bless Lehigh.

We will ever live to love her, live to praise her name;
Live to make our lives add lustre to her glorious fame.
Let the glad news wake the echoes, joyfully we cry,
Hail to thee, our Alma Mater! Hail! All Hail! Lehigh!
